

We can fulfill your wish

Want to learn but need help finding the RIGHT fit?

Through Yagdil Torah's many resources and information, we can provide you with learning ideas you never knew of that work with your schedule!

HERE ARE SOME EXAMPLES:

YOUR WISH

I wish I can learn practical Halacha from a reputable and clear source.

Is there a shiur between Mincha and Maariv daily on Daf Yomi anyway?

I am seeking a poignant Chasidus shiur.

I want a shiur during my lunch break at work; any ideas?

I'm looking for a chavrusa who can learn with me as an equal.

OUR RESPONSE

One of the great resources out there is Rabbi Shusterman's Halacha shiurim which are clear and practical and can be found on his site Beverlyhillschabad.com

Yes, Shain Shul amongst others.

Rabbi Paltiel's Shabbos morning shiur is one great idea. Join YagdilTorah's email list @ YagdilTorah.org to get updates on this shiur.

Yagdil Torah have been very successful in joining chavrusos, tell me a little about yourself day time place and subject and Yagdil Torah will do its best.

If you want an in person shiur (best way to have a quality learning experience) contact Yagdil Torah to see if we can connect you to an existing shiur that matches your style and schedule.

What's YOUR wish?

- If we can't fulfill your wish, we will suggest something as close as possible to what you are looking for.
- Torah learning is important; sometimes, we must even leave our comfort zones to learn. This project's goal is to make it that much easier.
